WELCOME TO TROPICAL FAR NORTH QUEENSLAND

Your Daintree and Cape Tribulation Experience

should be exciting, enjoyable and most of all informative. When you choose your trip, you will want to go with people who give you personalised and 'that little bit extra' special service and local knowledge.

Mossman gorge is nestled in the World Heritage listed Daintree National Park. The Daintree rainforest contains the oldest surviving rainforest in the world and makes for a remarkable unique experience. Sample billy tea and damper for morning tea.

Settle back for the very scenic drive from Port Douglas to Cape Tribulation, along the "Great Barrier Reef Drive", where two world heritage areas meet in our very comfortable seven seat Mercedes Benz.

Enjoy an hour cruising the Daintree River with a renowned operator whos' knowledge of local fauna and flora and of course crocodiles is unsurpassed.

We cross the river on the Daintree car ferry, then up to the Alexandria Look Out, where we see the breath taking view of where the rainforest truly meets the mighty Great Barrier Reef. 🌿

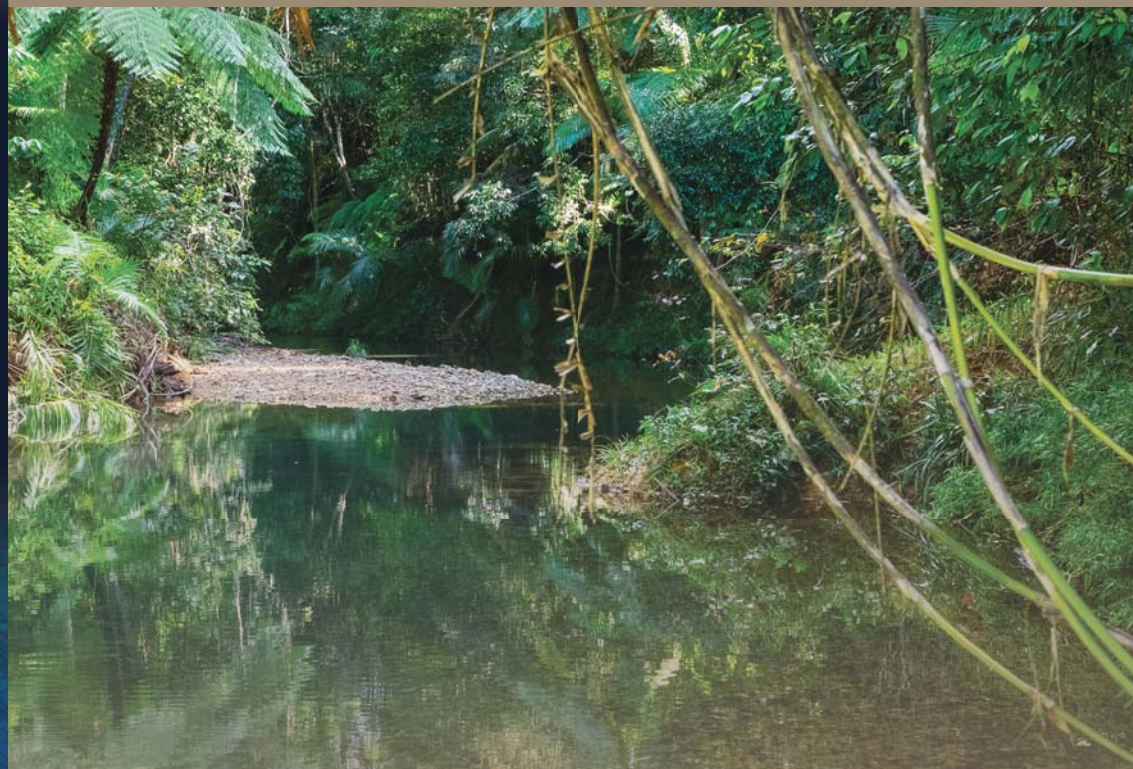

A catered tropical BBQ lunch, as well as local in season fruits, and refreshments at the most beautiful, secluded, absolutely private waterhole, where we can also swim in the crystal clear water.

Continue our drive up to Cape Tribulation itself for a leisurely stroll along the rainforest bordered white sandy beach, where you can witness two world heritage listed sites

side by side in perfect harmony. Enjoy a hot beverage and afternoon tea at the Cape Trib Beach House.

Last of all a stop at the Daintree Ice-Cream Factory for their most delicious ice-cream, made from local tropical fruits of the forest.

And then its home sweet home. 🌿
